

SCHOLARSHIPS OFFERED BY THE MBA PROGRAM OF THE UNIVERSITY OF CYPRUS

The Master in Business Administration (MBA) Program of the University of Cyprus, as part of its international outreach initiatives, offers **scholarships** to qualified international applicants for the **Full-time program** (offered in English) that starts in **September 2018**. The scholarships (in the form of substantial tuition waivers up to 50%) are awarded competitively on the basis of candidates' credentials (academic performance, professional experience, potential contribution to the Program). Higher scholarship awards (up to 100% of tuition) may be offered to candidates from developing economies or in financial need. Currently, the total tuition fees stand at 10,250 euros.

The MBA Program of the University of Cyprus provides an excellent educational experience in the field of business administration at the postgraduate level. The curriculum is designed according to international best-practices, and is delivered by internationally acclaimed faculty. The Program offers flexibility, stresses personal development, as well as collaborative practices, in alignment with current market trends and modern business philosophy. The Program holds the EPAS quality accreditation by the European Foundation for Management Development (EFMD).
