

Swiss Arbitration for Japanese Corporations

Advantages of choosing Switzerland as the Seat for Arbitration and the Swiss Rules

International Conference, Embassy of Switzerland in Japan, 7 September 2017, 16:00 – 21:00

Switzerland is one of the preferred venues for international arbitration, partly because of its long tradition, partly because of its unique features. This conference will focus on such features: the popular settlement facilitation offered by Swiss arbitral tribunals to the parties at an early stage of the proceedings; the current governmental project to render the already very liberal arbitration act even more user-friendly; and the Swiss Chambers' efficient Swiss Rules of International Arbitration, which will be made available in a Japanese version.
