

Scholarship for European Students to Take Part in Credit Programs at Tianjin University in the Spring of 2016

Target participants:

Undergraduates or postgraduates from a Student Exchange Program partner university of European countries are welcomed.

Description:

The students participating in the exchange program shall be selected initially by the European Partner university, and Tianjin University shall make final decisions for admission in each case. The period of enrollment of the students could be one semester or one academic year. Tianjin University shall waive application, matriculation and tuition fees for the exchange students. The participating students shall continue as candidates for degrees at their home university and shall not be candidates for degrees at Tianjin University.

Funding:

Scholarship for European Students to Take Part in Credit Programs in China

Description: The scholarship is established by the Ministry of Education of China which provides scholarships for students from all European countries to study in China from 1 September, 2016 to 31 August, 2017. Successful applicants will receive a monthly stipend of 2500 RMB to cover accommodation or living expenses, and this scholarship will be awarded on the basis of a 3-month study period.

Eligibility: Applicants should study in a Chinese host university for three months or more. The home university and the host university must have a cooperation agreement in place. The home universities must accrue credits earned during applicants' study at a Chinese host university.

Application procedures: All applicants should be recommended by a Chinese partner university, and then register online
