Insurance

All foreign students must have health insurance during their stay in Croatia. The best option is to enrol in an insurance plan from your home country that covers your stay in Croatia.

Temporary stay permit

Exchange students staying in Croatian longer than 3 months must apply for their **first temporary stay permit after the arrival in Zagreb**. While preparing for the exchange in Zagreb, students can gather the documents needed for the regulation of the permit: Form1a, acceptance letter from the University of Zagreb stating the study purpose of stay – in Croatian (student will get it at the orientation meeting from the IRO office upon the arrival), 1 photo in colour (35x45mm), copy of the passport – first page with the photo, proof of sufficient means of subsistence (printed statement of your bank account, scholarship confirmation or similar) - minimum is 1000HRK/month, proof of secured accommodation – statement from the student hall of residence in Zagreb (to be received upon moving in).

All documents need to be translated into Croatian and certified by a public notary. We recommend to do it Zagreb, it is cheaper. One possibility: [Lingua soft](#), Frankopanska 5A, 10000 Zagreb.

Students living in the student hall of residence can regulate the permit 30 days after the arrival in Zagreb, students in private accommodation should do it within 72 hours upon arrival (or as soon as possible after you find the apartment and sign the rental contract). Documents need to be submitted at the Central Police Station in Petrinjska 30, HR-10000 Zagreb.
